Increased exposure to your target market

Successfully market your business on a learning tool that instructs through song and story about the dangers of strangers, drugs and teaches fire safety. Interactive stories ensure repeat listening, benefiting you by **increasing exposure to your target market.**

Added Bonus:

Market your company on the Cautious Kids CD and donate them to schools or your favorite non-profit organization consisting of your target market (Boy Scouts, Boys and Girls Club, YMCA, etc.). This ensures your message reaches its target plus enables you to **deduct your marketing cost as a charitable donation.**

Unique marketing that creates a positive corporate image

Build **community support and trust** by proactively addressing the communities concerns regarding the safety of their children.

How your product or service is introduced to your target market and the perception they have of your business is paramount. You have a unique opportunity to effectively market while being associated with the courageous fight for our kids and your community. Do something good with your marketing and **stand out from your competitors.**

Our simple process

Although we produced the CD, the printing, packaging and duplication is done by a manufacturer with 62 years of experience.

Example Order: 10,000 CDs with a 30 second advertisement

- Step 1. You submit your artwork and recorded advertisement to us
- Step 2. We submit your material with the Cautious Kids material to our CD manufacturer
- Step 3. Our manufacturer's design studio places your artwork and advertisement on each Cautious Kids CD
- Step 4. Our manufacturer sends the Audio Proof and Print Proof to us for approval
- Step 5. We send audio and print proofs to you for approval. Once approved by you, we'll send them back to our manufacturer for duplication to begin.

All Packages include:

- Full color CD cover/jacket including a high-gloss UV coating
- Each CD will be individually packaged and shrink-wrapped
- Highest quality CD replication done by a reputable CD manufacturer
- Three-color or Full color On-disc silk screened printing
- "5 Step Status Check" system ensures that you're always informed of the status of your project
- Most packages are completed in 6 weeks
